

SHEFFIELD SOCIETY OF ARCHITECTS NEWSLETTER MARCH/APR 2017

UPCOMING RIBA EVENTS

Member of the RIBA and feel you don't know much about it? Not a member and want to find out more?

Well luckily, the RIBA have organised two events in Sheffield this March and April to try and address some of these issues, and give more of an insight into the role of the RIBA and how it can benefit us. The first, 'YorRIBA', is a series of talks around the theme "What does the RIBA do for me"; the second, 'FutuRIBA', with RIBA President-elect Ben Derbyshire looks at the future of the profession.

We hope to see you at these events. More information, and booking links can be found opposite.

SOME SUCCESSFUL BUILDING VISITS!

Thank you to everyone who has attended our building visits over the last few months, and those who have helped lead them. We've had some great, well attended events to a variety of buildings including two of Basil Spence's Churches, Blackburn Meadows Power Plant and the Parkway Firestation.

If you missed the tours you can find out some more on our blog, see photographs and find out some interesting facts- did you know for instance that the fireman's pole can only be used in an emergency? I think quite a few people on our tour were disappointed by that!

We have a variety of building visits coming up but we're always interested to hear from you as to the kind of visits you would like to see. Is there a building in Sheffield you've always wanted to go in? Did you miss out on one of our sold out tours? Or are you involved in a project that you think would be perfect for a tour? Please contact us on the email below or through our social media and it might be something we are able to arrange!
